1) Why you receive this communication

JK GROUP S.P.A., as Data Controller, wants to inform you on what data it collects and with which methods, so as to ensure the respect of your rights and your fundamental freedoms, with particular reference to the privacy and security with which the data are processed.

2) Object of processing

The processed data refer to:

- Data collected automatically. The computer systems and the applications dedicated to the functioning of this website detect, during their normal operation, some data (the transmission of which is implicit in the use of Internet communication protocols) potentially associated with identifiable users. The collected data includes the IP addresses and the domain names of the computers used by the users connecting to the site, the addresses in the Uniform Resource Identifier (URI) notation of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (success, error, etc.) and other parameters concerning the operating system, the browser and the computer environment used by the user. These data are processed, for the time strictly necessary, for the sole purpose of obtaining statistical information on the use of the site and to check its regular operation. The provision of such data is mandatory as it is directly connected to the web browsing experience.

- Data provided voluntarily by the user. We will retain the contact information you provide (for example, name, surname, address, telephone number, e-mail, country of residence, telephone number) when you create an account on the site, buy a product and / or participate in our competitions or promotions and / or calling for assistance. Your payment and billing information. We will keep the payment and billing information you provide us (for example, credit card number, zip code and address when you purchase a product, for the purposes of managing your purchase orders and shipping products). If you request it, we can also keep the payment and billing information in order to make future purchases of products easier. Information on the use of the site. Your use of our sites involves the processing of data on the browser and device you are using and your IP address (this is the number that identifies a specific device on the internet and that is necessary for your device to communicate with the sites). We can analyze from which site you came from, what you did and did not accomplish on our site. We may collect any information you may have provided via the email address info@jk-group.com or by filling out the appropriate form in the section 'work with us', the processing of which is subject to your express and unequivocal consent following reading of the dedicated information.

- Cookies. The site does not use / uses technical / profiling cookies of the first part / third parties which may collect user browsing data, whose provision is mandatory for technical cookies to allow navigation while it is optional and takes place through the expression of a free and informed consent regarding profiling and third-parts cookies. Cookies work in order to analyze the effectiveness of the site and make it easier and more intuitive over time.
